Candidate Information:

My mother taught me that when an opportunity presents itself you should never turn it down because that opportunity may never present itself again. I have embraced this philosophy.

In 2008, I joined Toastmasters as a Charter Member of WildChatters TM Club in Monrovia, CA, to get over my fear of public speaking. Since then, many doors have opened for me in my career as a Senior Human Resources Advisor at WorleyParsons, as well as in Toastmasters. In 2009-2010 I was part of a team to roll out the new payroll system to more than 1,100 West Coast Operations employees. I attended "Train-the-Trainer" sessions in our Houston office to learn the process then presented 15 sessions over the next two weeks to employees and managers. I couldn't have done this without my experience in Toastmasters.

I have enjoyed my journey in Toastmasters. With the knowledge and experience I have gained personally, I feel it is time again to step up to continue my development in Toastmasters as well as my professional development as a Senior Human Resources Advisor. Therefore, as a candidate for Division B Governor, I plan to "Enjoy the Journey" and share what I've learned with the members, clubs, and Division leadership team.

A Special Thanks:

A special thanks to all my mentors in Toastmasters that have encouraged me every step of the way. Without your help and guidance I wouldn't have the courage to take this journey.
