

## Distinguished Member Plan

Are you gaining skills to help you achieve professional and personal growth?

Here is a personal commitment plan to measure your progress in achieving your goals, and make you a DISTINGUISHED MEMBER of your club.

**Please commit to one goal award in the Communication Track and one goal award in The Leadership Track that you will complete in Toastmasters this year.**

Your club Vice President of Education will apply this information to plan for your success in speaking and leadership. Your other club officers will also be better able to support you in your progress with the information you provide below.
