ANY OTHER CHALLENGES OR ANY OTHER BRAGGING POINTS....
<ul style="list-style-type: none"> • We continue to move forward to meet our Area/Division Success Plan goals. The Area Governors stay in contact with their clubs' officers to discuss upcoming events, provide information about education and training and membership, and discuss any issues that are of concern to the clubs. • Our successes are many!! <ul style="list-style-type: none"> - Officer Make-Up Training highest attendance in District! Offered more than officer sessions. - We continue to bring in new members. Several of the clubs are planning spring membership drives and open houses that could add as many as five new members per club. We anticipate we will end the year strong. We also anticipate that we'll have all 26 clubs submit their dues renewals as we did in the fall. - We are still trying to get club coaches for our three struggling clubs. The initial request was in 2009; although these three clubs are holding their on, they continue to ask for a club coach – we request immediate help from District leadership. - We continue to work with the potential new clubs – commitment issues and stable meeting locations - Club visits almost completed; expect all 26 by end of March - At least two Areas are having Spring Speech-a-Thons to help members achieve their CC/AC awards <p>All Area Contests have been extremely successful; Division B Contest on March 26 (evening) at Good Shepherd Church in Arcadia – dinner, entertainment, opportunity prizes (Dodger tickets valued at almost \$400; Santa Anita Racetrack package valued at \$150; and many more)</p> <p>We're having a great time and we hope you are, too.</p>
