**Division F DELP Report**

<b>Spring Area Contests completed</b>	<b>3/19/11</b>
<b>Division Contest is to be held on</b>	<b>4/2/11</b>

The Area Contests were successful. They were financially profitable.  
AGs are visiting clubs and submitting their reports.

**Division website is under construction.**

The Youth Leadership Program is in progress. Ross Johnson (who is about to become a DTM) just finished a batch. He is now helping Dr Iffat Qamar in the next batch. We would soon be looking for Toastmasters who would like to co-ordinate YLPs.

Some of our clubs have had their open houses and few more are planning to have theirs.
