

# 2016-17 Founder's District Alignment Notes 2016-08-27

---

Last fall the district council approved the formation of District 100 and Founder's District, along with the creation of ten divisions, A through I.

There was the typical flurry of club and membership building in June. In June, I kept in close contact with the elected district officers at that time and we decided to add a sixth area to Divisions B and E. The final alignment is presented on the following pages. There is also a first draft written description of division boundaries.

Two clubs in particular merit special notice:

**F5 4492237 Dialogue by Design** in Irvine did not have 8 members as of July 1. But now the club is in good standing and is added to the club base.

**C1 3401166 Panda GLA** in Cypress did not have 8 members as of July 1. Although the club has since added 8 new members, there are not yet enough **continuing** members for the club to be in good standing.

## New club prospects

H2	5638428	Prospect	Arcadia CA Pros Club	Arcadia	Timothy Anderson

\* Club 5630403 has not been placed formally into F1. I am suggesting that here.

The border between Founder's District and District 100 is:

From the intersection of the 605 Freeway (San Gabriel River Valley Freeway) with E Wardlow Rd, then east to Ball Rd. Continue on Ball Rd to Taft Ave., and then proceed east on Taft Ave to N Tustin St.. Proceed North on N Tustin just far enough to resume an eastward direction along E Taft Ave to Cannon St. Then extend a straight line due east to the Orange County border.

Clubs with addresses on Ball, Wardlow, or Taft will be part of District 100.
