

Founder's District DC Report

April 22, 2017

Christine Brady, ACB, CL
Division F Director

Division F Report

Completed

- Officer Training has been completed. We have identified a few corporate clubs that have less than the minimum of 4 officers trained. Division F will need to do a better job at pushing the importance of Officer Training as we head into the next LACE training in June. These clubs are:
 - TK1SC (2 Officers trained)
 - Toast of the Coast (1 Officer trained)
 - KPMG OC (Zero Officers trained)
 - WATG Speaks (Zero Officers trained)

Recognition

- Articulates Club 316 is celebrating its 40th anniversary. Go visit them in this important year – Thursdays 6:30 – 8:30 at Deerfield Community Park. More info: president-316@toastmastersclub.org
- In Area F1 - Irvine Project Masters and Second Stage are on target to be President's Distinguished!
- In Area F2 – Toastmasters Gardeners of OC is on target to be Distinguished
- In Area F3 – Articulates and Pan Pacific are on target to be Select Distinguished
- InArea F4 – Spectrum Speakers and Thales Masters are on target to be Distinguished and Money Talks is on target to be Select Distinguished
- In Area F5 – Irvine TM and Candid Speaking Superstars are on target to be Select Distinguished.
- All Areas and the Division are on target to be distinguished – just need to get through the final push!

Issues

- Area F1 – Verizon Top Dog is most likely folding.
- Area F2 – Nihon Koden has low membership (12 paid) and needs a coach. The good news is their membership is up 3 members.
- In Area F4 – OC Toastmasters Encore only has five members. They need a coach.
- In Area F5 – 9400 Toastmasters Club only has 11 members and needs a club coach. The good news is the membership is enthusiastic and participates in Division and District events. If they had a coach, they could be even stronger. Toast of the Coast has low membership and needs a club coach. Their VPE has indicated that the busy work schedules of the members make it difficult for members to attend meetings.

In Progress

- Looking for potential Area Directors for the 2017 – 2018 program year.

Upcoming Events

- May 3 – Leadership Opportunities in Div F Mimi’s Café, Lake Forest
