### **Division C Report**

#### **Accomplished**

- Division C has 23 paid clubs compared to a base of 22 at the start of the year.
- Six clubs have achieved Distinguished status or higher as of May 15.
- Five additional clubs are within three members of reaching their membership goals.
- Fifteen clubs total have at least 5 DCP points as of May 15.

#### **Recognition**

- Area C-5 became the first Area in the District to achieve Select Distinguished status. Congratulations to Kim McFee, Area C-5 Director!
- Area Directors have filed Club Visit Reports for 18 clubs as of May 15.
- Division C Assistant Director Chris Gregory will become the 2017-18 District Public Relations Manager.
- Division C Assistant Director Marie Hulett has done a terrific job as Editor In Chief of The Founder, the District's online magazine.
- Area C-4 Director Asad Ali has been elected as the 2017-18 Division C Director-Elect.

#### **Issues**

- More club coaches would be very useful.
- A greater District focus on developing special interest clubs would be useful.

#### **In Progress**

- Working toward President's Distinguished status for the Division! We have enough paid clubs, and enough clubs with sufficient DCP points, so success depends on club membership.
